and on the southerly side line of lots numbered 438-B, 616 and 628;

and on the northerly side line of lots numbered 438-A, 615 and 629;

any lot set forth in this sentence cannot be combined with another lot identified in this sentence for the purpose otherwise authorized in the last sentence of this indented paragraph. Said easements established in this numbered paragraph 10 are for the construction, operation and perpetual maintenance of conduits, poles, wires and fixtures for electric lights, gas lines, telephone, water lines, sanitary and storm sewers, road drains and other public and quasi-public utilities and to trim any trees which at any time may interfere or threaten to interfere with the maintenance of such lines, with right of ingress to and egress from across said easements to employees of said utilities. To the extent neither said construction, operation nor maintenance of any of the items mentioned in the next preceding sentence has commenced along any respective lot, "side lines of all lots" as used in this paragraph, in respect to any two or more contiguous whole and/or fractional lots owned by (and/or under a contract to be conveyed by the undersigned to) the same person or persons and used as a single building site, shall thereafter mean each and/or either of the two outermost side lot lines considering said contiguous whole and/or fractional lots as one lot, if the combined width of said contiguous whole and/or fractional lots is at least 50 feet at the widest portion thereof.

It is understood and agreed that it shall not be considered a violation of the provisions of the

easement if wires or cables carried by such pole lines pass over some portion of said lots not within the easements as long as such lines do not hinder the construction of buildings on any lots in this Section.

The undersigned and/or their designees may, on any lot and/or lots then owned by them, construct, maintain, use and allow to be used by others, parks, swimming pools, playgrounds, community center buildings, sales offices, water wells and related pumping, storage, operation and maintenance facilities, and the like, and numbered paragraphs 2, 3, 4, 6 and 7 hereof shall not apply thereto.

11. No outside toilet or privy shall be erected or maintained in the Section. The materials installed in, and the means and methods of assembly of, all sanitary plumbing shall conform with the requirements of the Health Department of Hood County and the State of Texas.

12. Subject to the provisions of the last two sentences of this paragraph, as to each lot in this Section, an assessment is hereby made of (i) \$1.50 per month per lot the owner of which owns only one lot in said Section, and (ii) \$1.00 per month per lot in said Section in respect to lots of which two or more are owned by the same person but not to exceed \$4.00 per month as to the total of all lots owned by one owner in said Oak Trail Shores Subdivision for the maintenance and construction of swimming pools, parks, roads and other improvements in Oak Trail Shores Subdivision; "owner" as used in this sentence shall include also a purchaser from Western Resort Properties, Inc. of a lot in Oak Trail Shores Subdivision. The assessment shall accrue from the earlier of the date of the agreement for deed from Western Resort Properties, Inc. as seller to a purchaser or of the conveyance by Western Resort Properties, Inc. as grantor. Such assessment shall be and is hereby secured by a lien on each lot in this Section, respectively, and shall be payable to Oak Trail Shores Owners Association (a Texas non-profit corporation), its successors and assigns, the owner of said assessment funds, on March 31st of each year commencing in 1970, at which date in the year 1970 and in successive years said assessment lien shall conclusively be deemed to have attached, and there shall be no lien securing said assessment until March 31st of each such year. Said assessment lien shall be junior and subordinate to any lien which may be placed on any lot or any portion of any lot as security for any interim construction loan and/or any permanent loan for financing improvements on said lot, and/or any purchase money loan for any lot on which a dwelling or building complying with these restrictions has theretofore been constructed. Said assessment shall not accrue in respect to any lot during such time as the owner (or any person as purchaser from Western Resort Properties, Inc., under a contract to purchase then in force) of such lot, after having made written application for membership in said Oak Trail Shores Owners Association, is refused membership (or having been admitted is involuntarily expelled from membership) in said Association, it being understood that said swimming pool, park and recreational area are for the sole use and benefit of the members of said Association and their families and their authorized guests. Commencing on the last Friday in April, 1973, Western Resort Properties, Inc., shall not be eligible for membership in said Oak Trail Shores Owners Association; no assessment shall be made against Western Resort Properties, Inc. at any time; assessments against lots owned by Western Resort Properties, Inc. shall accrue, and liens securing same may attach, only during such times as a contract to purchase said lots from Western Resort Properties, Inc. is then in force.

13. Any building, structure or improvement, commenced upon any lot shall be completed as to exterior finish and appearance, within six (6) months from the commencement date. No lot or portion of any lot shall be used as a dumping ground for rubbish or trash, nor for storage of items or materials (except during construction of a building), and all lots shall be kept clean and free of any boxes, rubbish, trash, or other debris. The undersigned shall have the right to enter the property where a violation exists under this paragraph and remove the incomplete structure or other items at the expense of the offending party.

14. No lot shall be further subdivided except that fractions of lots may be separated to add to space of whole lots if the combination of whole and fractional lots is used as a single building site and if all other provisions of these subdivision restrictions are complied with. No lot or any part of a lot shall be used for a street, access road or public thoroughfare without the prior written consent of the undersigned, its successors and assigns.

15. If the owner of any lot in said Section, or any other person, shall violate any of the covenants herein, it shall be lawful for any other person or persons owning any real property situated in said Section to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from so doing or to recover damages or other dues for such violation, or both.

16. Invalidation of any one or more of these covenants and restrictions by judgment of any Court shall in nowise affect any of the other covenants, restrictions, and provisions herein contained, which shall remain in full force and effect.

The undersigned, the Architectural Control Committee, and the officers and members thereof shall not be deemed to have assumed any liability with regard to any undertaking by consequence of its enactment and enforcement of, or failure to enact or enforce minimum standards for, any improvements, and no act or omission shall be construed to impose any liability upon the undersigned, said Architectural Control Committee, or the officers and members thereof for damages which any grantee may sustain.

2. Subject to the provisions of numbered paragraphs 9 and 10 hereof, all lots are restricted to use for single family residential and no building shall be erected or maintained on any residential lot in these Blocks other than a private residence, a private bathhouse, and a private garage for the sole use of the owner or occupant.

Subject to the provisions of numbered paragraphs 9 and 10 hereof, (1) no used existing building or structure of any kind and no part of a used existing building or structure shall be moved onto, placed on, or permitted to remain on any lot, all construction must be of new material, except stone, brick, inside structural material, or other material used for antique decorative effect if such use is approved in writing by the Architectural Control Committee, and (2) no tar paper type roof or siding materials will be used on any structure, and no sheet metal type of roof or siding materials will be used without written approval of the Architectural Control Committee on any structure. If construction is not commenced within eight (8) months of such approval, the approval shall be null and void unless an extension is granted in writing.

6. Subject to paragraphs 9 and 10 hereof, no fence shall be permitted to extend nearer to the street or the rear and front lot lines than the minimum setback line hereinafter provided in paragraph 7 in respect to buildings.

7. Subject to paragraphs 9 and 10 hereof, no building shall be located nearer to the side street line than 10 feet (exception: Lot No. 1, Block 2, and Lot Nos. 1 and 38, Block 3, on which the setback shall be 5 feet), or nearer to the side lot line or rear lot line than 5 feet, except that where the rear lot line coincides with the Brazos River Authority boundary line for Lake Granbury, no minimum setback is imposed on the rear lot line. "Side lot line" as used in this paragraph, in respect to any two or more contiguous whole and/or fractional lots owned by (and/or under a contract to be conveyed by the undersigned to) the same person or persons and used as a single building site, shall thereafter mean each and/or either of the two outermost side lot lines considering said contiguous whole and/or fractional lots as one lot, if the combined width of said contiguous whole and/or fractional lots is at least 50 feet at the widest portion thereof, but no other use may be made of any lot or fractional lot to the extent it has been grouped to alter these minimum setback requirements. It is understood and agreed that it shall not be considered a violation of the provisions of the easement if wires or cables carried by such pole lines pass over some portion of said lots not within the

The assessment shall accrue from the earlier of the date of the agreement for deed from Western Resort Properties, Inc. as seller to a purchaser or of the conveyance by Western Resort Properties, Inc. as grantor. Such assessment shall be and is hereby secured by a lien on each lot in these Blocks, respectively, and shall be payable to Oak Trail Owners Association (a Texas non-profit corporation), its successors and assigns, the owner of said assessment funds, on March 31st of each year commencing in 1970, at which date in the year 1970 and in successive years said assessment lien shall conclusively be deemed to have attached, and there shall be no lien securing said assessment until March 31st of each such year. Said assessment lien shall be junior and subordinate to any lien which may be placed on any lot or any portion of any lot as security for any interim construction loan and/or any permanent loan for financing improvements on said lot, and/or any purchase money loan for any lot on which a dwelling or building complying with these restrictions has theretofore been constructed. Commencing on the last Friday in April, 1973, Western Resort Properties, Inc., shall not be eligible for membership in said Oak Trail Owners Association; no assessment shall be made against Western Resort Properties, Inc. at any time; assessments against lots owned by Western Resort Properties, Inc. shall accrue, and liens securing same may attach, only during such times as a contract to purchase said lots from Western Resort Properties, Inc. is then in force. No assessment shall apply to any of Lots 29 thru 54 of Block 1 during such time as the owner thereof (or the purchaser thereof from Western Resort Properties, Inc. under a purchase contract then in force) is the owner (or purchaser from Western Resort Properties, Inc. under a purchase contract then in force) of any other lot in any Section or Block of Oak Trail Shores Subdivision; provided, however, that if the only said "other lot" is one or more of said Lots 29 thru 54, then the lot first owned or purchased as aforesaid (or the lowest numbered lot if more than one lot is acquired or purchased simultaneously) by the same owner or purchaser as aforesaid shall be subject to the assessment.

13. Any building, structure or improvement commenced upon any lot shall be completed as to exterior finish and appearance, within six (6) months from the commencement date. No lot or portion of any lot shall be used as a dumping ground for rubbish or trash, nor for storage of items or materials (except during construction of a building) and all lots shall be kept clean and free of any boxes, rubbish, trash, or other debris. The undersigned shall have the right to enter the property where a violation exists under this paragraph and remove the incomplete structure or other items at the expense of the offending party.

14. No lot shall be further subdivided except that fractions of lots may be separated to add to space of whole lots if the combination of whole and fractional lots is used as a single building site and if all other provisions of these subdivision restrictions are complied with. No lot or any part of a lot

shall be used for a street, access road or public thoroughfare without the prior written consent of the undersigned, its successors and assigns.

15. If the owner of any lot in these Blocks, or any other person, shall violate any of the covenants herein, it shall be lawful for any other person or persons owning any real property situated in these Blocks to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from so doing or to recover damages or other dues for such violation, or both.

16. Invalidation of any one or more of these covenants and restrictions by judgment of any Court shall in nowise affect any of the other covenants, restrictions, and provisions herein contained, which shall remain in full force and effect.

17. On waterfront lots where the rear lot line coincides with the Brazos River Authority boundary line for Lake Granbury, any construction of boat docks, piers or other structures below elevation 693 feet shall not be commenced until written permission has been received from the Brazos River Authority, Waco, Texas.
