

SUBDIVISION RESTRICTIONS

Block 5, Oak Hills Section of Oak Trail Shores Subdivision

THE STATE OF TEXAS    )  
                                  )  
COUNTY OF DALLAS    )

KNOW ALL MEN BY THESE PRESENTS:

That Western Resort Properties, Inc., a Texas corporation, the owner of Block 5, Oak Hills Section of Oak Trail Shores Subdivision, as shown by the plat thereof duly recorded in Volume II, Page 26, Plat Records of Hood County, Texas, does hereby acknowledge, declare and adopt the following restrictions, which are hereby impressed on the lots hereunder, and these restrictions and covenants shall run with the land:

1. There shall be established an Architectural Control Committee composed of three (3) members appointed by the undersigned (and/or by designees of the undersigned, from time to time) to protect the owners of lots hereunder against such improper use of lots as will depreciate the value of their property; to preserve, so far as practicable, the natural beauty of said property; to guard against the erection thereon of poorly designed or proportioned structures and structures built of improper or unsuitable materials, to obtain harmonious architectural schemes; to insure the highest and best development of said property; to encourage and secure the erection of attractive structures thereon, with appropriate locations thereof on lots; to secure and maintain proper setbacks from streets and adequate free spaces between structures; and, in general, to provide adequately for a high type of quality of improvements in said property, and thereby to enhance the value of investments made by purchasers of lots therein.

The undersigned, the Architectural Control Committee, and the officers and members thereof shall not be deemed to have assumed any liability with regard to any undertaking by consequence of its enactment and enforcement of, or failure to enact or enforce minimum standards for, any improvements, and no act or omission shall be construed to impose any liability upon the undersigned, said Architectural Control Committee, or the officers and members thereof for damages which any grantee may sustain.

2. Subject to the provisions of numbered paragraphs 9 and 10 hereof, all lots are designated as residential, mobile homes, or camping, and no building shall be erected or maintained on any lot other than a private residence, a private boathouse, a storage building, mobile home or camper, and a private garage for the sole use of the owner or occupant as set forth below.

3. Subject to the provisions of numbered paragraphs 9 and 10 hereof, (i) no used existing building or structure of any kind and no part of a used existing building or structure shall be moved onto, placed on, or permitted to remain on any lot; all construction must be of new material, except stone, brick, inside structural material, or other materials used for antique decorative effect if such use is approved in writing by the Architectural Control Committee, and (ii) no tar paper type roof or siding materials will be used on any

structure, and no sheet metal type of roof or siding materials will be used without written approval of the Architectural Control Committee on any structure, and (iii) all residences shall have a "gabled" or "hipped" roof unless otherwise approved by the Architectural Control Committee. All buildings shall be completely underpinned and underskirted with no piers or pilings exposed to view. No natural drainage shall be altered, nor shall any drainage ditch, culvert, nor drainage structure of any kind be installed nor altered, nor shall any curb nor other such impediment to the free flow of water be installed nor altered, without prior written consent of the Architectural Control Committee.

4. No building exceeding two stories in height shall be erected on any lot without the written approval of the Architectural Control Committee, and each residence, subject to paragraph 9 hereof, shall have a minimum floor area of 750 square feet, exclusive of porches, stoops, open or closed carports, patios or garages.

5. No building, fence, or other structure or improvements shall be erected, placed or altered on any lot until two copies of the construction plans and specifications, including specifications of all exterior materials, including color of paint or stain, and a plan showing the proposed location of the structure, have been submitted to and approved in writing by the Architectural Control Committee as to harmony of external design with existing structures and as to location with respect to topography and finish grade elevation. If such construction, placement or alteration is not commenced within eight (8) months of such approval, the approval shall be null and void unless an extension is granted in writing.

6. Fences shall be permitted to extend to the side and back lot lines and to within 5 feet of the front lot lines, but without impairment of the easements reserved and granted in these restrictions.

7. No building, mobile home, camper nor other structure (exclusive of fences) shall be located nearer to the side street line than 10 feet or nearer to the side lot line or rear lot line than 5 feet. "Side lot line" as used in this paragraph, in respect to any two or more contiguous whole and/or fractional lots owned by (and/or under a contract to be conveyed by the undersigned to) the same person or persons and used as a single building site, shall thereafter mean each and/or either of the two outermost side lot lines considering said contiguous whole and/or fractional lots as one lot, if the combined width of said contiguous whole and/or fractional lots is at least 50 feet at the widest portion thereof, but no other use may be made of any lot or fractional lot to the extent it has been grouped to alter these minimum setback requirements. No building shall be located nearer to the front lot line than 10 feet.

8. No animals or birds, other than household pets, shall be kept on any lot.

9. Subject to the remaining provisions of this paragraph, no outbuilding or garage, other than a boathouse or storage building, shall be erected on any lot before a residence is constructed thereon, and no outbuilding, boathouse, basement or garage erected on any lot shall at any time be used as a dwelling, temporarily or permanently, nor shall any shack be placed on any lot, nor shall any residence of a temporary character be permitted. Camping on all lots shall be limited to use of campers, camping

trailers, tents or other camping shelter, which shall be of good appearance and in good repair. Camping at all times will be permitted on all lots in this Block so long as no tent, nor fabric shelter shall be left on the lot unattended for more than 24 hours at any one time. On all lots, mobile homes and structures or buildings supplemental thereto may be placed and used upon any two contiguous lots combined into one lot for the purpose and, in accordance with the provisions of numbered paragraph 7 hereinabove only if same have been inspected by, and prior written approval of same has been granted by, the Architectural Control Committee, which may, as condition to its said approval, make any requirement which in its judgment is deemed proper, including the following requirements: (a) that the mobile home be of late model, 500 square feet in size minimum, in good repair and of attractive design and appearance, and properly anchored and underskirted with material approved by the Architectural Control Committee; (b) that any mobile home not built by a commercial mobile home manufacturer be of design, appearance and quality comparable to those built by commercial manufacturers; and (c) an approved septic tank must be installed prior to occupancy. Nothing in this paragraph prohibits the construction of a residence on two contiguous lots combined into one lot for the purpose and, in accordance with the provisions of numbered paragraph 7 hereinabove.

10. Easements are reserved along and within 5 feet of the rear lines of all lots in this Block. Easements are reserved along and within 5 feet of the front lines and the side lines of all lots in this Block. Said easements established in the two next preceding sentences are for the construction, operation and perpetual maintenance of conduits, poles, wires and fixtures for electric lights, gas lines, telephone lines, water lines, sanitary and storm sewers, road drains and other public and quasi-public utilities and to trim any trees which at any time may interfere or threaten to interfere with the maintenance of such lines, with right of ingress to and egress from across said premises to employees of said utilities. To the extent neither said construction, operation nor maintenance of any of the items mentioned in the next preceding sentence has commenced along any respective lot, "side lines of all lots" as used in this paragraph, in respect to any two or more contiguous whole and/or fractional lots owned by (and/or under a contract to be conveyed by the undersigned to) the same person or persons and used as a single building site, shall thereafter mean each and/or either of the two outermost side lot lines considering said contiguous whole and/or fractional lots as one lot, if the combined width of said contiguous whole and/or fractional lots is at least 50 feet at the widest portion thereof.

It is understood and agreed that it shall not be considered a violation of the provisions of the easement if wires or cables carried by such pole lines pass over some portion of said lots not within the easement as long as such lines do not hinder the construction of buildings on any lots hereunder.

The undersigned and/or their designees may, on any lot and/or lots then owned by them, construct, maintain, use and allow to be used by others, parks, swimming pools, playgrounds, community center buildings, sales offices, water wells and related pumping, storage, operation and maintenance facilities, and the like, and numbered paragraphs 2, 3, 4, 6, 7 and 9 hereof shall not apply thereto.

11. No outside toilet or privy shall be erected or maintained in this Block. The materials installed in, and the means and methods of assembly of, all sanitary plumbing

and sanitary practices and conditions shall conform with the requirements of the Health Department of Hood County, the State of Texas and the Texas Water Quality Board.

12. Subject to the remaining provisions of this paragraph, as to each lot in this Block, an assessment is hereby made of (i) \$1.50 per month per lot the owner of which owns only one lot in Oak Trail Shores Subdivision, and (ii) \$1.00 per month per lot in said Block in respect to lots of which two or more are owned by the same person but not to exceed \$4.00 per month, as to the total of all lots owned by the same person in said Oak Trail Shores Subdivision for the maintenance and construction of swimming pools, parks, roads and other improvements in Oak Trail Shores Subdivision; "owner" as used in this sentence shall include also a purchaser from Western Resort Properties, Inc. of a lot in Oak Trail Shores Subdivision. The assessment shall accrue from the earlier of the date of the agreement for deed from Western Resort Properties, Inc. as seller to a purchaser or of the conveyance by Western Resort Properties, Inc. as grantor. Such assessment shall be and is hereby secured by a lien on each lot in this Block, respectively, and shall be payable to Oak Trail Owners Association (a Texas non-profit corporation), its successors and assigns, the owner of said assessment funds, on March 31st of each year commencing in 1973, at which date in the year 1973 and in successive years said assessment lien shall conclusively be deemed to have attached, and there shall be no lien securing said assessment until March 31st of each such year. Said assessment lien shall be junior and subordinate to any lien which may be placed on any lot or any portion of any lot as security for any interim construction loan and/or any permanent loan for financing improvements on said lot, and/or any purchase money loan for any lot on which a dwelling or building complying with these restrictions has theretofore been constructed. Said assessment shall not accrue in respect to any lot during such time as the owner (or any person as purchaser from Western Resort Properties, Inc. under a contract to purchase then in force) of such lot, after having made written application for membership in said Oak Trail Owners Association, is refused membership (or having been admitted is involuntarily expelled from membership) in said Association, it being understood that said swimming pool, park and recreational area are for the sole use and benefit of the members of said Association, their families and authorized guests. Commencing on the last Friday in April, 1973, Western Resort Properties, Inc. shall not be eligible for membership in Oak Trail Owners Association; assessments against lots owned by Western Resort Properties, Inc. shall accrue, and liens securing same may attach, only during such times as a contract to purchase said lots from Western Resort Properties, Inc. is then in force; no assessment shall be made against Western Resort Properties, Inc. nor against then unsold lots owned by it at any time (whether or not such lots have been previously sold and the contract cancelled or otherwise terminated), and as to any lot in respect to which the purchase contract has been cancelled or terminated for any reason whatsoever, of which lot Western Resort Properties, Inc. is the owner at the time of such cancellation or termination, all then unpaid accrued assessments under this paragraph against such lot shall thereupon be automatically cancelled.

13. Any building, structure or improvements, commenced upon any lot shall be completed as to exterior finish and appearance, within six (6) months from the commencement date. No lot or portion of any lot shall be used as a dumping ground for rubbish or trash, nor for storage of items or materials (except during construction of a building), and

all lots shall be kept clean and free of any boxes, rubbish, trash, tall grass and weeds, inoperative cars, or other debris. The undersigned shall have the right to enter the property where a violation exists under this paragraph and remove the incomplete structure or other items at the expense of the offending party.

14. No lot shall be further subdivided except that fractions of lots may be separated to add to space of whole lots if the combination of whole and fractional lots is used as a single building site and if all other provisions of these subdivision restrictions are complied with. No lot or any part of a lot shall be used for a street, access road or public thoroughfare without the prior written consent of the undersigned, its successors and assigns.

15. If the owner of any lot in said Section, or any other person, shall violate any of the covenants herein, it shall be lawful for any other person or persons owning any real property situated in said Section to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from so doing or to recover damages or other dues for such violation, or both.

16. Invalidation of any one or more of these covenants and restrictions by judgment of any Court shall in nowise affect any of the other covenants, restrictions, and provisions herein contained, which shall remain in full force and effect.

EXECUTED this 14th day of May, 1973.
