

SUBDIVISION RESTRICTIONS

Block 6, Oak Hills Section of Oak Trail Shores Subdivision

1. There shall be established an Architectural Control Committee composed of three (3) members appointed by the undersigned (and/or by designees of the undersigned, from time to time) to protect the owners of lots in this Section against such improper use of lots as will depreciate the value of their property; to preserve, so far as practicable, the natural beauty of said property; to guard against the erection thereon of poorly designed or proportioned structures and structures built of improper or unsuitable materials, to obtain harmonious architectural schemes; to insure the highest and best development of said property; to secure and maintain proper setbacks from streets and adequate free spaces between structures; and, in general, to provide adequately for a high type of quality of improvements in said property, and thereby to enhance the value of investments made by purchasers of lots therein.

The undersigned, the Architectural Control Committee, and the officers and members thereof shall not be deemed to have assumed any liability with regard to any undertaking by consequence of its enactment and enforcement of, or failure to enact or enforce minimum standards for, any improvements, and no act or omission shall be construed to impose any liability upon the undersigned, said Architectural Control Committee, or the officers and members thereof for damages which any grantee may sustain.

2. Subject to the provisions of numbered paragraphs 8 and 9 hereof, all lots are designated as permanent and/or temporary camping lots only, and no building shall be erected or maintained on any lot other than a private boathouse or a tool storage building (minimum size of 30 square feet and maximum size of 144 square feet).

3. Subject to the provisions of numbered paragraphs 8 and 9 hereof, (i) no used existing building or structure of any kind and no part of a used existing building or structure shall be moved onto, placed on, or permitted to remain on any lot. All construction must be of new material, except stone, brick, and inside structural material, if such use is approved in writing by the Architectural Control Committee, and (ii) no tar paper type roof or siding materials will be used on any structure, and no sheet metal type of roof or siding materials will be used without written approval of the Architectural Control Committee on any structure, and (iii) the exterior of any building must be painted

or stained. All buildings shall be completely underpinned and underskirted with no piers or pilings exposed to view. No natural drainage shall be altered, nor shall any drainage ditch, culvert, nor drainage structure of any kind be installed nor altered, nor shall any curb nor other such impediment to the free flow of water be installed nor altered, without prior written consent of the Architectural Control Committee.

4. No building, fence, or other structure or improvements shall be erected, placed or altered on any lot until two copies of the construction plans and specifications, including specifications of all exterior and roofing materials and a plan showing the proposed location of the structure, have been submitted to and approved in writing by the Architectural Control Committee as to harmony of external design with existing structures and as to location with respect to topography and finish grade elevation. If construction is not commenced within eight (8) months of such approval, the approval shall be null and void unless an extension is granted in writing.

5. Fences shall be permitted to extend to the side and back lot lines and to within 5 feet of the front lot lines, but without impairment of the easements reserved and granted in these restrictions.

6. No building shall be located nearer to the side street line than 5 feet or nearer to the side lot line or rear lot line than 5 feet. "Side lot line" as used in this paragraph, in respect to any two or more contiguous whole and/or fractional lots owned by (and/or under a contract to be conveyed by the undersigned to) the same person or persons and used as a single building site, shall thereafter mean each and/or either of the two outermost side lot lines considering said contiguous whole and/or fractional lots as one lot, if the combined width of said contiguous whole and/or fractional lots is at least 30 feet at the widest portion thereof, but no other use may be made of any lot or fractional lot to the extent it has been grouped to alter these minimum setback requirements. No building shall be located nearer to the front lot line than 10 feet.

7. No animals or birds, other than household pets, shall be kept on any lot.

8. Subject to the remaining provisions of this paragraph, no outbuilding or garage, other than a private boathouse or storage building of size hereinbefore provided shall be erected on any lot, and no outbuilding, boathouse or storage building erected on any lot shall at any time be used as a dwelling, temporarily or permanently, nor shall any shack be placed on any lot. Camping on all lots shall be limited to use of campers, travel trailers, motor homes, camping trailers, tents or other camping shelter, which shall be of good appearance and in good repair. Tents and similar types of temporary camping equipment cannot be left on the lot unattended for more than 24 hours at any one time. No mobile homes or residences may be placed and used on these lots. Only upon written approval by the Brazos River Authority, a septic tank system may be constructed only on two or more contiguous lots, and only if it complies with the requirements of the Health Department of Hood County and the State of Texas and of the Texas Water Quality Board.

9. Easements are reserved along and within 5 feet of the rear lines of all lots in this Section. Easements are reserved along and within 5 feet of the front lines and

the side lines of all lots in this Section. Said easements established in the two next preceding sentences are for the construction, operation and perpetual maintenance of conduits, poles, wires and fixtures for electric lights, gas lines, telephone, water lines, sanitary and storm sewers, road drains and other public and quasi-public utilities and to trim any trees which at any time may interfere or threaten to interfere with the maintenance of such lines, with right of ingress to and egress from across said premises to employees of said utilities. To the extent neither said construction, operation nor maintenance of any of the items mentioned in the next preceding sentence has commenced along any respective lot, "side lines of all lots" as used in this paragraph, in respect to any two or more contiguous whole and/or fractional lots owned by (and/or under a contract to be conveyed by the undersigned to) the same person or persons and used as a single building site, shall thereafter mean each and/or either of the two outermost side lot lines considering said contiguous whole and/or fractional lots as one lot, if the combined width of said contiguous whole and/or fractional lots is at least 30 feet at the widest portion thereof.

It is understood and agreed that it shall not be considered a violation of the provisions of the easement if wires or cables carried by such pole lines pass over some portion of said lots not within the easements as long as such lines do not hinder the construction of buildings on any lots in this Section.

The undersigned and/or their designees may, on any lot and/or lots then owned by them, construct, maintain, use and allow to be used by others, parks, swimming pools, playgrounds, community center buildings, sales offices, water wells and related pumping, storage, operation and maintenance facilities, and the like, and numbered paragraphs 2, 3, 5, 6, 7 and 8 hereof shall not apply thereto.

10. No outside toilet or privy shall be erected or maintained in the Section. The materials installed in, and the means and methods of assembly of, all sanitary plumbing shall conform with the requirements of the Health Department of Hood County, the State of Texas and the Texas Water Quality Board and the Brazos River Authority.

11. Subject to the remaining provisions of this paragraph, as to each lot in this Section, an assessment is hereby made of (i) \$1.50 per month per lot, the owner of which owns only one lot in said Section, and (ii) no additional assessment for the second lot in said Section owned by the same person, and (iii) \$1.50 per month per lot for all lots in excess of two, but not to exceed \$4.00 per month as to the total of all lots owned by one owner in said Oak Trail Shores Subdivision for the maintenance and construction of swimming pools, parks, roads and other improvements in Oak Trail Shores Subdivision; "owner" as used in this sentence shall include also a purchaser from Western Resort Properties, Inc. of a lot in Oak Trail Shores Subdivision. The assessment shall accrue from the earlier of the date of the agreement for deed from Western Resort Properties, Inc. as seller to a purchaser or of the conveyance by Western Resort Properties, Inc. as grantor. Such assessment shall be and is hereby secured by a lien on each lot in this Section, respectively, and shall be payable to Oak Trail Owners Association (a Texas non-profit corporation), its successors and assigns, the owner of said assessment funds, on March 31st of each year commencing in 1972, at which date in the year 1972 and in successive years said assessment lien shall conclusively be deemed to have attached, and there shall be no lien

securing said assessment until March 31st of each such year. Said assessment lien shall be junior and subordinate to any lien which may be placed on any lot or any portion of any lot as security for any interim construction loan and/or any permanent loan for financing improvements on said lot, and/or any purchase money loan for any lot on which a dwelling or building complying with these restrictions has theretofore been constructed. Said assessment shall not accrue in respect to any lot during such time as the owner (or any person as purchaser from Western Resort Properties, Inc. under a contract to purchase then in force) of such lot, after having made written application for membership in said Oak Trail Owners Association, is refused membership (or having been admitted is involuntarily expelled from membership) in said Association, it being understood that said swimming pool, park and recreational area are for the sole use and benefit of the members of said Association, their families and authorized guests. Commencing on the last Friday in April, 1973, Western Resort Properties, Inc. shall not be eligible for membership in said Oak Trail Owners Association; no assessment shall be made against Western Resort Properties, Inc. at any time; assessments against lots owned by Western Resort Properties, Inc. shall accrue, and liens securing same may attach, only during such times as a contract to purchase said lots from Western Resort Properties, Inc. is then in force.

12. Any building, structure or improvements, commenced upon any lot shall be completed as to exterior finish and appearance, within six (6) months from the commencement date. No lot or portion of any lot shall be used as a dumping ground for rubbish or trash, nor for storage of items or materials (except during construction of a building), and all lots shall be kept clean and free of any boxes, rubbish, trash or other debris and refrigerators and other large appliances shall not be placed outdoors. The undersigned shall have the right to enter the property where a violation exists under this paragraph and remove the incomplete structure or other items at the expense of the offending party.

13. No lot or any part of a lot shall be used for a street, access road or public thoroughfare without the prior written consent of the undersigned, its successors and assigns.

14. If the owner of any lot in said Section, or any other person, shall violate any of the covenants herein, it shall be lawful for any other person or persons owning any real property situated in said Section to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from so doing or to recover damages or other dues for such violation, or both.

15. Invalidation of any one or more of these covenants and restrictions by judgment of any Court shall in nowise affect any of the other covenants, restrictions, and provisions herein contained, which shall remain in full force and effect.

16. The restrictions heretofore recorded in Volume 185, Page 90, Records, Hood County, Texas, are hereby cancelled and superseded by the restrictions herein.

(The "undersigned" hereinabove referred to is the developer, Western Resort Properties, Inc.)
