

SUBDIVISION RESTRICTIONS
Section A -- Oak Trail Shores Subdivision

THE STATE OF TEXAS)
COUNTY OF DALLAS)

KNOW ALL MEN BY THESE PRESENTS:

That Western Resort Properties, Inc., a Texas corporation, the owner of Section A, Oak Trail Shores Subdivision, as shown by the plat thereof duly recorded in Volume _____, Page _____, Plat Records of Hood County, Texas, does hereby acknowledge, declare and adopt the following restrictions, which are hereby impressed on Section A of Oak Trail Shores Subdivision, and these restrictions and covenants shall run with the land:

153

1. There shall be established an Architectural Control Committee composed of three (3) members appointed by the undersigned (and/or by designees of the undersigned, from time to time) to protect the owners of lots in this Section against such improper use of lots as will depreciate the value of their property; to preserve, so far as practicable, the natural beauty of said property; to guard against the erection thereon of poorly designed or proportioned structures and structures built of improper or unsuitable materials, to obtain harmonious architectural schemes; to insure the highest and best development of said property; to encourage and secure the erection of attractive homes and placement of attractive mobile homes thereon, with appropriate locations thereof on lots; to secure and maintain proper setbacks from streets and adequate free spaces between structures; and, in general to provide adequately for a high type of quality of improvements in said property, and thereby to enhance the value of investments made by purchasers of lots therein.

The undersigned, the Architectural Control Committee, and the officers and members thereof shall not be deemed to have assumed any liability with regard to any undertaking by consequence of its enactment and enforcement of, or failure to enact or enforce minimum standards for, any improvements, and no act or omission shall be construed to impose any liability upon the undersigned, said Architectural Control Committee, or the officers and members thereof for damages which any grantee may sustain.

2. Subject to the provisions of numbered paragraphs 9 and 10 hereof, and except on lot Nos. 1, 2, 92, 93, 94, 137, 138 and 139, which lots are hereby designated as commercial and/or residential, all lots are restricted to use for single family residential and no building shall be erected or maintained on any residential lot in said Section other than a private residence, a private boathouse, and a private garage for the sole use of the owner or occupant.

3. Subject to the provisions of numbered paragraphs 9 and 10 hereof, (i) no used existing building or structure of any kind and no part of a used existing building or structure shall be moved onto, placed on, or permitted to remain on any lot, all construction must be of new material, except: stone, brick, inside structural material, or other materials used for antique decorative effect if such use is approved in writing by the Architectural Control Committee, and (ii) no tar paper type roof or siding materials will be used on any structure, and no sheet metal type of roof or siding materials will be used without written approval of the Architectural Control Committee on any structure. All buildings other than boathouses shall be completely underpinned, with no piers or pilings exposed to view. No natural drainage shall be altered, nor shall any drainage ditch, culvert, nor drainage structure of any kind be installed nor altered, nor shall any curb nor other such impediment to the free flow of water be installed nor altered, without prior written consent of the Architectural Control Committee.

4. No building exceeding two stories in height shall be erected on any lot, and each residence, subject to paragraph 9 hereof, shall have a minimum floor area as shown below, exclusive of porches, stoops, open or closed carports, patios or garages:

950 square feet on lot numbered 140; 565 thru 576; and 607 thru 616.
750 square feet on lots numbered 1 thru 88; 95 thru 136; 139, and
577 thru 606.

600 square feet on all other lots, except that minimum floor space and sizes of buildings on commercial lots and outdoor signs shall be as directed by the Architectural Control Committee.

5. No building, fence, or other structure or improvements shall be erected, placed or altered on any lot until two copies of the construction plans and specifications, including specifications of all exterior materials and a plan showing the proposed location of the structure, have been submitted to and approved in writing by the Architectural Control Committee as to harmony of external design with existing structures and as to location with respect to topography and finish grade elevation. If construction is not commenced within eight (8) months of such approval, the approval shall be null and void unless an extension is granted in writing.

6. No fence shall be permitted to extend nearer to the street or the rear and front lot

lines than the minimum setback line hereinafter provided in paragraph 7 in respect to buildings.

7. No building shall be located nearer to the side street line than 10 feet (exception: lot Nos. 295, 296, 542, 543 and 593, on which the setback shall be 5 feet), or nearer to the side lot line or rear lot line than 5 feet, except that where the rear lot line coincides with the Brazos River Authority boundary line for Lake Garbury, no minimum setback is imposed on the rear lot line. "Side lot line" as used in this paragraph, in respect to any two or more contiguous whole and/or fractional lots owned by (and/or under a contract to be conveyed by the undersigned to) the same person or persons and used as a single building site, shall thereafter mean each and/or either of the two outermost side lot lines considering said contiguous whole and/or fractional lots as one lot, if the combined width of said contiguous whole and/or fractional lots is at least 50 feet at the widest portion thereof, but no other use may be made of any lot or fractional lot to the extent it has been grouped to alter these minimum setback requirements. No building shall be located nearer to the front lot line than 10 feet.

8. No animals or birds, other than household pets, shall be kept on any lot.

9. No outbuilding or garage, other than a boathouse, shall be erected on any lot before a residence is constructed thereon, and no outbuilding, boathouse, basement or garage erected on any lot shall at any time be used as a dwelling, temporarily or permanently, nor shall any shack be placed on any lot, nor shall any residence of a temporary character be permitted. Camping on lots will be permitted until September 30, 1972, subject to permission from the Architectural Control Committee. On lots numbered 1 thru 88; 95 thru 136; 144 thru 234; 244 thru 338; 353 thru 434; 455 thru 532; 543 thru 564, mobile homes and structures or buildings adjacent or supplemental thereto may be placed and used upon any such lots only if same have been inspected by, and prior written approval of same has been granted by, the Architectural Control Committee, and said Committee may, as condition to its said approval, make any requirement which in its judgment is deemed proper, including the following requirements: (a) that the mobile home be of late model, 600 square feet in size minimum on lots 1 thru 88; 95 thru 136, and 500 square feet minimum on lots 144 thru 234; 244 thru 338; 353 thru 434; 455 thru 532 and 543 thru 564, is required, in good repair and of attractive design and appearance, and underpinned, with material approved by Architectural Control Committee, (b) that any mobile home not built by a commercial mobile home manufacturer be of design, appearance and quality comparable to those built by commercial manufacturers; otherwise, no mobile home shall be placed on any lot except that on any lot on which a residence has been constructed there may be parked one camper or travel type trailer of not more than twenty-five feet in length, but no trailer shall be occupied or used as a temporary or permanent residence while parked on said lot except during construction of a dwelling thereon, and (c) an approved septic tank must be installed prior to occupancy. Nothing in this paragraph prohibits the construction of a residence on lots referred to above in this paragraph provided paragraphs 3 and 4 are complied with.

10. Easements are reserved along and within the following number of feet of the rear lines of lots in this Section: (i) lots whose rear lines coincide with the Brazos River Authority boundary line, including channel lots, 0 feet, i.e., no easement; (ii) all other lots in this Section, 5 feet. Easements are reserved along and within 5 feet of the front lines and the side lines of all lots in this Section, except in respect to the front lines of waterfront and channel lots, such excepted lots being numbers 1 thru 88; 95 thru 140, and for such excepted lots said easements shall be along and within 6 feet of the front lot lines. Said easements established in the two next preceding sentences are for the construction, operation and perpetual maintenance of conduits, poles, wires and fixtures for electric lights, gas lines, telephone, water lines, sanitary and storm sewers, road drains and other public and quasi-public utilities and to trim any trees which at any time may interfere or threaten to interfere with the maintenance of such lines, with right of ingress to and egress from across said premises to employees of said utilities. Lot Nos. 81, 152, 226, 252, 330, 362, 425, 464 and 523 have a 10' drainage easement along the south side of each lot upon which there shall be no construction which would impair the drainage capacity of the easement. To the extent neither said construction, operation nor maintenance of any of the items mentioned in the next preceding sentence has commenced along any respective lot, "side lines of all lots" as used in this paragraph, in respect to any two or more contiguous whole and/or fractional lots owned by (and/or under a contract to be conveyed by the undersigned to) the same person or persons and used as a single building site, shall thereafter mean each and/or either of the two outermost side lot lines considering said contiguous

whole and/or fractional lots as one lot, if the combined width of said contiguous whole and/or fractional lots is at least 50 feet at the widest portion thereof.

It is understood and agreed that it shall not be considered a violation of the provisions of the easement if wires or cables carried by such pole lines pass over some portion of said lots not within the easements as long as such lines do not hinder the construction of buildings on any lots in this Section.

The undersigned and/or their designees may, on any lot and/or lots then owned by them, construct, maintain, use and allow to be used by others, parks, swimming pools, playgrounds, community center buildings, sales offices, water wells and related pumping, storage, operation and maintenance facilities, and the like, and numbered paragraphs 2, 3, 4, 6 and 7 hereof shall not apply thereto.

11. No outside toilet or privy shall be erected or maintained in the Section. The materials installed in, and the means and methods of assembly of, all sanitary plumbing shall conform with the requirements of the Health Department of Hood County and the State of Texas.

12. Subject to the provisions of the last two sentences of this paragraph, as to each lot in this Section, an assessment is hereby made of (i) \$1.50 per month per lot the owner of which owns only one lot in said Section, and (ii) \$1.00 per month per lot in said Section in respect to lots of which two or more are owned by the same person but not to exceed \$4.00 per month as to the total of all lots owned by one owner in said Oak Trail Shores Subdivision for the maintenance and construction of swimming pools, parks, roads and other improvements in Oak Trail Shores Subdivision; "owner" as used in this sentence shall include also a purchaser from Western Resort Properties, Inc. of a lot in Oak Trail Shores Subdivision. The assessment shall accrue from the earlier of the date of the agreement for deed from Western Resort Properties, Inc. as seller to a purchaser or of the conveyance by Western Resort Properties, Inc. as grantor. Such assessment shall be and is hereby secured by a lien on each lot in this Section, respectively, and shall be payable to Oak Trail ~~Shores~~ Owners Association (a Texas non-profit corporation), its successors and assigns, the owner of said assessment funds, on March 31st of each year commencing in 1970, at which date in the year 1970 and in successive years said assessment lien shall conclusively be deemed to have attached, and there shall be no lien securing said assessment until March 31st of each such year. Said assessment lien shall be junior and subordinate to any lien which may be placed on any lot or any portion of any lot as security for any interim construction loan and/or any permanent loan for financing improvements on said lot, and/or any purchase money loan for any lot on which a dwelling or building complying with these restrictions has theretofore been constructed. Said assessment shall not accrue in respect to any lot during such time as the owner (or any person as purchaser from Western Resort Properties, Inc., under a contract to purchase then in force) of such lot, after having made written application for membership in said Oak Trail ~~Shores~~ Owners Association, is refused membership (or having been admitted is involuntarily expelled from membership) in said Association, it being understood that said swimming pool, park and recreational area are for the sole use and benefit of the members of said Association, their families and authorized guests. Commencing on the last Friday in April, 1973, Western Resort Properties, Inc., shall not be eligible for membership in said Oak Trail ~~Shores~~ Owners Association; no assessment shall be made against Western Resort Properties, Inc. at any time; assessments against lots owned by Western Resort Properties, Inc. shall accrue, and liens securing same may attach, only during such times as a contract to purchase said lots from Western Resort Properties, Inc. is then in force.

13. Any building, structure or improvement, commenced upon any lot shall be completed as to exterior finish and appearance, within six (6) months from the commencement date. No lot or portion of any lot shall be used as a dumping ground for rubbish or trash, nor for storage of items or materials (except during construction of a building), and all lots shall be kept clean and free of any boxes, rubbish, trash, or other debris. The undersigned shall have the right to enter the property where a violation exists under this paragraph and remove the incomplete structure or other items at the expense of the offending party.

14. No lot shall be further subdivided except that fractions of lots may be separated to add to space of whole lots if the combination of whole and fractional lots is used as a single building site and if all other provisions of these subdivision restrictions are complied with. No

lot or any part of a lot shall be used for a street, access road or public thoroughfare without the prior written consent of the undersigned, its successors and assigns.

15. If the owner of any lot in said Section, or any other person, shall violate any of the covenants herein, it shall be lawful for any other person or persons owning any real property situated in said Section to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from so doing or to recover damages or other dues for such violation, or both.

16. Invalidation of any one or more of these covenants and restrictions by judgment of any Court shall in nowise affect any of the other covenants, restrictions, and provisions herein contained, which shall remain in full force and effect.

17. On waterfront lots where the rear lot line coincides with the Brazos River Authority boundary line for Lake Granbury, any construction of boat docks, piers or other structures below elevation 693 feet shall not be commenced until written permission has been received from the Brazos River Authority, Waco, Texas.
